The reveille was played at all the cemeteries by Bugler Elmer Huntress. After dinner exercises were held in Grange Hall. The program consisted of a program by the school children which was principally music and was very much enjoyed. The Gettysburg address was given by Miss Marjorie Hutchins of Meredith. Prayer was offered by the local pastor, Rev. Chas. P. Cleaves. Rev. Frederick von der Sump was speaker of the day, and gave one of the most scholarly and interesting addresses we have ever had on Memorial Day.

Mr. von der Sump had prepared an address especially for the children, but as the schools with their teachers left the hall when their program was finished, he gave a fine extempore talk to the audience citing some of the mistaken impressions the history of our country had left with the students of the public schools and extolling the efforts of many of our statesmen to bring about amity between the nations.

Smith's Orchestra furnished music, the audience singing America to close the service.

A true copy of Warrant—Attest:

GEORGE A. SIMPSON,  
MYRA LILLIAN HANSON,  
NORRIS P. BARTLETT,

School Board.

**REPORT OF SCHOOL BOARD**

To the Taxpayers and Citizens of Center Harbor:

It is very pleasing to your Board to be able to report on another year of successful administration. We hope any one interested in our schools will give Supt. Small's report careful consideration as it is more in detail than your board can give. The Board has held monthly meetings with Supt. Small and kept in close touch with all matters pertaining to school work.

The house at West Center Harbor needs painting and we fully expected to have some done this year, but did not succeed owing to the rush of work our local painters had on hand. This year we hope to have this work done.

The house at the Village needs some changes. The cloak rooms are not large enough to properly care for the pupils' clothing and some change is **needed very much**. The ceiling in the grammar room is also bad and a new steel ceiling seems to be the cheapest and best way to repair it.

Again the Board desires to express its thanks to the teachers, parents and citizens for their cooperation during the past year.

MYRA LILLIAN HANSON,  
NORRIS P. BARTLETT,  
GEORGE A. SIMPSON,  
School Board.

**REPORT OF SUPERINTENDENT OF SCHOOLS**

To the Citizens of Center Harbor:

I hope that parents and pupils alike will carefully check up the following attendance tables. Nearly always an estimate of the amount of absence will be very much less than the real amount as shown by the registers.

Health is, of course, of primary importance, and sick children should not be in school.

Irregular attendance is very closely related to poor scholarship. It is also frequently an index of home conditions. It may reveal poor teaching or other unsatisfactory school conditions.

At the village school many of the tardy marks are due to the fact that the children were taking music lessons. This has been permitted by the School Board as it desires to aid in every reasonable way parents and pupils in their efforts toward improvement.

That the graduates of the Center Harbor schools so uniformly go to High School speaks well for the training and the attitude toward education which they receive in the district.

Center Harbor is fortunate in having high grade, secondary institutions near.

Attractive buildings, pleasant rooms, sanitary surroundings, and adequate equipment, are of great educational importance for their influence is constant.

There is need of more cloak room at the village school and the grounds should be graded.

Respectfully submitted,  
ERNEST W. SMALL.
